64B5-13.005 Disciplinary Guidelines.

(+) When the Board finds an applicant, licensee, ~~or~~ certificate holder, or telehealth registrant whom it regulates under chapter 466, F.S., has committed any of the acts set forth in section 456.072(1), ~~or~~ 466.028, or 456.47, F.S., it shall issue a final order imposing appropriate penalties as recommended in these disciplinary guidelines. For any violation found that is for fraud or making a false or fraudulent representation, the Board will impose a fine of \$10,000.00 per count or offense. The use of terms to describe the offenses herein within the individual guidelines is intended to be only a generally descriptive use of the terms. For an accurate description of the actual offenses, the reader should refer to the statutory disciplinary provisions. The maximum penalties set forth in any individual offense guideline include all of the less severe penalties that would fall in between the maximum and the minimum penalties stated. For telehealth registrants, a suspension may be accompanied by a corrective action plan that addresses the conduct which resulted in the underlying disciplinary violations. The Board may require a corrective action plan be completed prior to reinstatement of the suspended registration or the corrective action plan may follow a suspension for a definite term.

X. DISCUSSION

A. CDCA Updates, Dr. Guy Champaine, Former Chief Executive Officer of ADEX

Dr. Champaine provided the Board with updates on the ADEX examination. He stated that the ADEX examination is currently accepted in all states except for New York and Delaware. He also stated that Nevada, Wyoming and Florida are the only states that do not accept the CompeDont examination. He also informed the Board that last year 85% of graduates in the United States took their exam on a CompeDont.

Casey Stoutamire from the Florida Dental Association (FDA) spoke in support and indicated that the FDA passed a policy in June supporting the use of a non-patient based exam as long as it is the ADEX CompeDont tooth exam.
